# Cottage Grove Parks Legacy

The Cottage Grove Park Legacy program gives those with a passion for parks, green spaces, wildlife, clean water, and history an opportunity to contribute towards preserving and growing this community's beloved parks and recreation system. We are fortunate to be living in a community where the infusion of nature and recreational opportunities are simply a part of life. These amenities did not come without cost and it is because of the forethought, support and generosity of those before us who have made this the beautiful, family-friendly community we live in today.
